Divisions & Ring Assignments

WHAT HAPPENS WHEN I AM CALLED?

At weigh ins you will be assigned your division based on the selection from your registration form. When your division is called, you must report to the ring and verify you are in the correct division during roll call. The ring coordinator will verify every competitor is in the division that was called. All competitors will be separated by weight, & experience.

At the end of the contest, the referee will raise the winner's hand (decided by Submission). When you win, go to the ring coordinator to ensure that you are properly advanced to the next round. The winning competitor will take a seat and wait to be called back to compete again. This process continues until there is a single winner! This is a single elimination tournament but we do award 3rd place, you may be asked to compete again, even if you lost your prior match. Consult your ring coordinator.

Absolute divisions will consist of all the 1st, 2nd, and 3rd place winners in each respective division. An Absolute tournament will be held for Beginner, Intermediate, and Advanced. You must place in your division to get a spot into the Absolute tournament.

Junior, Advanced, Beginner, and Intermediate Division matches will go in that order on the day of competition:
